Worshipful Master
Toby Adams

Brethren,

Another Month has passed by. The May stated meeting went well and we talked about upcoming events like registration forms for the Copper State Fly-In, and went over the breakfast we served in April. Now looking forward to June, and the possibility of a Second Degree before going Dark. This coming weekend is Grand Lodge, looking forward to seeing the outcome of the voting. To all, I hope to see those who can attend at our June Meeting and to those who can't, have a great summer and hope to see you all in the Fall. Mike our Senior Warden is of great help and I look forward to helping him with an upcoming degree.

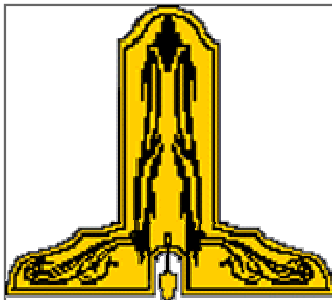

Fraternally Toby Adams

Happy
Birthday!

From the Senior Warden
in the West

Welcome to summer, Brothers! We had a great May with temperatures that were the lowest for May since I moved to Casa Grande in 2004. I have talked to some longtime residents of CG and they say that this was one of the most comfortable May's in a long time.

We have a meeting next week (June 9th) with a meal before the meeting. Our newly obligated brother Glenn L. Booth will be examined in the lecture of the E.A. Degree and it is hoped that we will be able to confer upon him the second degree of Masonry later in the month. Check back to the Lodge website throughout the month for updates on the date and time of the

lodge's degree work.

Since we are going dark for July and August, how about coming out to the June meeting to meet with and enjoy the company of your brother masons one more time before we go dark.

Dear Sisters and Brothers,

Hello Everyone

Our May 16th Installation was lovely We had a small crowd, but had a great time. We missed those that are gone for the summer, on vacation and are ill but know you were there in spirit. I want to thank everyone that assisted in making our installation a success.

Due to our special May 16th meeting, there will be no meeting on May 23rd. Our next ,meeting will be held on June 13th the last stated meeting before we go dark for the summer.

Our prayers go out to our dear friends, sister Cappie Patterson who is recuperating at the Oasis rehab center in Casa Grande after a fall.

Brother George Tallent who is in hospice in Casa Grande with a brain tumor.

Brother Art Massood in ICU at Cornerstone rehab center in Tucson following heart surgery.

Please keep them and their families in your thoughts and prayers.

If there are others ill or in need of prayer, please contact me

As I have mentioned before, our chapter continues to grow and will need to remain active and dynamic. We plan on all committees being working, and involved, therefore, all input will be appreciated and considered.

Hope to see all of you on June 13th and don't forget Grand Chapter. We would like all those that are able to plan on Grand Chapter August 3-6, 2011 at the Renaissance Hotel in Glendale.

Have a great summer and may God Bless

Greetings Brothers,

Our Lodge building is looking much more presentable these past months. In addition to painting the exterior walls last fall, we have painted the outside trim, rain gutters, and the roof. We also put a second coat on most of the exterior walls.

This past week we presented the last of the bicycles to Curies Elementary school for the "Bikes for Books" reading program. The Second and Third Graders who meet their reading goals for the school quarter have their names put in a basket, and at the quarterly Honors Assembly, two names are drawn, one for Second Grade, and another for the Third Grade. Each student whose name is drawn gets a brand new twenty inch bicycle. We will soon be shopping for the bicycles for the next school year.

A Second Degree was performed early last month, and Brother Brent Nelson was passed to the Degree of Fellowcraft Mason. We have another Second Degree to do and two Third Degrees to do in the not too distant future. However, the dates have not yet been decided upon.

The bad news has been saved for the last. Our Brother, Marty O'Haus, passed to that House Not Made With Hands on Saturday, May 7th. His siblings (brothers) organized an informal memorial for Marty at the Eloy Lions Club which was attended by many of his Masonic Brothers, fellow Lions Club Members, and fellow workers at the Eloy City Hall. The formal funeral services and interment will be in Houston, Texas.

Brother Art Massood has been in the Hospital for several weeks after having heart surgery. Doctors tell the family there is very little hope for his recovery.

Brother George Tallent was taken to the hospital in Tucson after suffering a stroke about the ninth of May. After several diagnostic test, it was determined that he has a cancerous brain tumor, and the symptoms have gotten continually worse since. The past several days he has been in the care of Hospice in Casa Grande. The latest information is that he has lost control of his right side, and is not cognizant of what is happening around him. He went home Thursday, May 26, and Hospice will be assisting his wife there.

Please keep both of these Brothers in your thoughts and prayers.

There are no special events scheduled, to date, for this month.

A very happy May Birthday to brothers: John Burnett and Jason Tidwell.
